Forecast for Monday 08 Aug 2022

Weather: Overnight cloud will lift and clear to leave a dry, bright and sunny day. Out of the sunshine it will still feel quite cool.

Chance of cloud-free hill tops above 800m: 90%, some patchy low cloud is possible on the higher fell tops in the north at the start of the day but soon clearing.

Low cloud and visibility: Patchy cloud possible above 700m for the early part of the day, especially around the northern fells but soon clearing to leave cloud bases well above the summits. Visibility will be good with far reaching views across the Lake District likely.
